A modern three-bedroom first-floor apartment in the heart of Westbourne, combining generous living space, high ceilings, a large sunny private terrace and allocated parking.

The spacious lounge and dining area is a particularly appealing part of the apartment, with generous proportions, plenty of natural light and direct access to the terrace. The terrace provides private outdoor space and is also accessed from the principal bedroom, creating a strong connection between the apartment and outside.

The principal bedroom is a generous double with its own en-suite bathroom and separate shower. Two further bedrooms provide flexibility for family, guests or working from home, while the Jack & Jill bathroom adds useful practicality.

The kitchen is fitted with an oven, hob and extractor, while gas central heating is provided throughout. One allocated parking space adds valuable convenience.

High ceilings throughout give the apartment a genuine sense of space, while three bedrooms, two bathrooms and generous living accommodation make it more than simply a well-located apartment.

Westbourne is on the doorstep, with independent cafés, restaurants, bars, shops and everyday amenities close by. Alum Chine beach is also within easy reach, with Bournemouth and the wider Dorset coast conveniently accessible.

Offered with vacant possession and no forward chain, the property is leasehold with approximately 125 years remaining from March 2001.
