Our Vendor Loves...

This flat has been my sanctuary, and saying goodbye is much harder than I expected as I step into a new chapter of my life.

The first thing that struck me when I saw it was how bright, peaceful, and green it felt — you'd never think you were in the middle of London.

Avington Grove is leafy, quiet, and feels incredibly safe, with friendly neighbours and a real sense of community.

Being just a short walk from beautiful Crystal Palace Park has been a real highlight. The CP National Sport Centre and various music festivals are being a great bonus!

I love Penge for its great connections to the City from both Penge West and East, its good shops, and the Bridge House pub for a checky Friday G&T after work.

I will miss this flat dearly and truly hope its next owner will enjoy it as much as I have!
