Accommodation

Visitors are welcomed into the entrance hall which leads to the open plan living area and stairs rising to the first floor landing. The main reception space is the open plan kitchen with a generous island housing bar stools at one end and the living/dining room at the other. This area has hard flooring with sliding doors opening onto the garden. This is a well proportioned family space, comprising an extensive collection of storage units under granite work surfaces, incorporating an integrated oven and grill, fridge/freezer and two dishwashers. There are two integrated pantries complete with granite worktop. Further to the ground floor is the carpeted snug, with inbuilt storage. Finally there is a utility room housing the washing machine with more storage and the WC.

The first floor landing provides the family bathroom, with freestanding bath and walk in shower. The master bedroom and a second large bedroom are to the front and another double bedroom is to the rear with en-suite. The fourth double bedroom is on the second floor with additional storage space. Additionally there is a garden room, with electric heating and hard flooring which could be used as an office, this is adjacent to a freestanding outdoor bath with hot and cold running water sited under a pergola.

Further landscaping includes two large paved areas linked by stepping stones. This provides a lovely area for outdoor entertaining.

There is a large children's play area and the whole garden is safely contained with new composite fencing. Finally there is a generous newly built garage with electric roller doors.

The resin drive with inset lighting provides parking for several vehicles. Electric gates, CCTV and outdoor lighting provide security for the property. There is an electric charging point for cars.

Viewing is strongly recommended and can be arranged day or evening

Location

Perfectly located opposite the main entrance to Wollaton Deer Park, there are excellent transport links into Nottingham City Centre.

Conveniently located for Fernwood and Bramcote schools makes this an ideal choice for families.

Services

The property is connected to mains drainage, water, gas and electricity supply. The new gas fired combi boiler provides central heating to radiators.
