#### STUDENT ACCOMMODATION 2026-2027 ACADEMIC YEAR

Welcome to this stunning student house located on De Grey Street in the vibrant area of Newland Avenue, Hull. This impressive property features six modern bedrooms, making it an ideal choice for students seeking comfortable and stylish accommodation for the 2026-2027 academic year.

The house is thoughtfully designed to cater to the needs of student living, with two well-appointed bathrooms ensuring convenience for all residents. Each bedroom is spacious and well-lit, providing a perfect sanctuary for study and relaxation. The property is fully furnished, allowing for a hassle-free move-in experience.

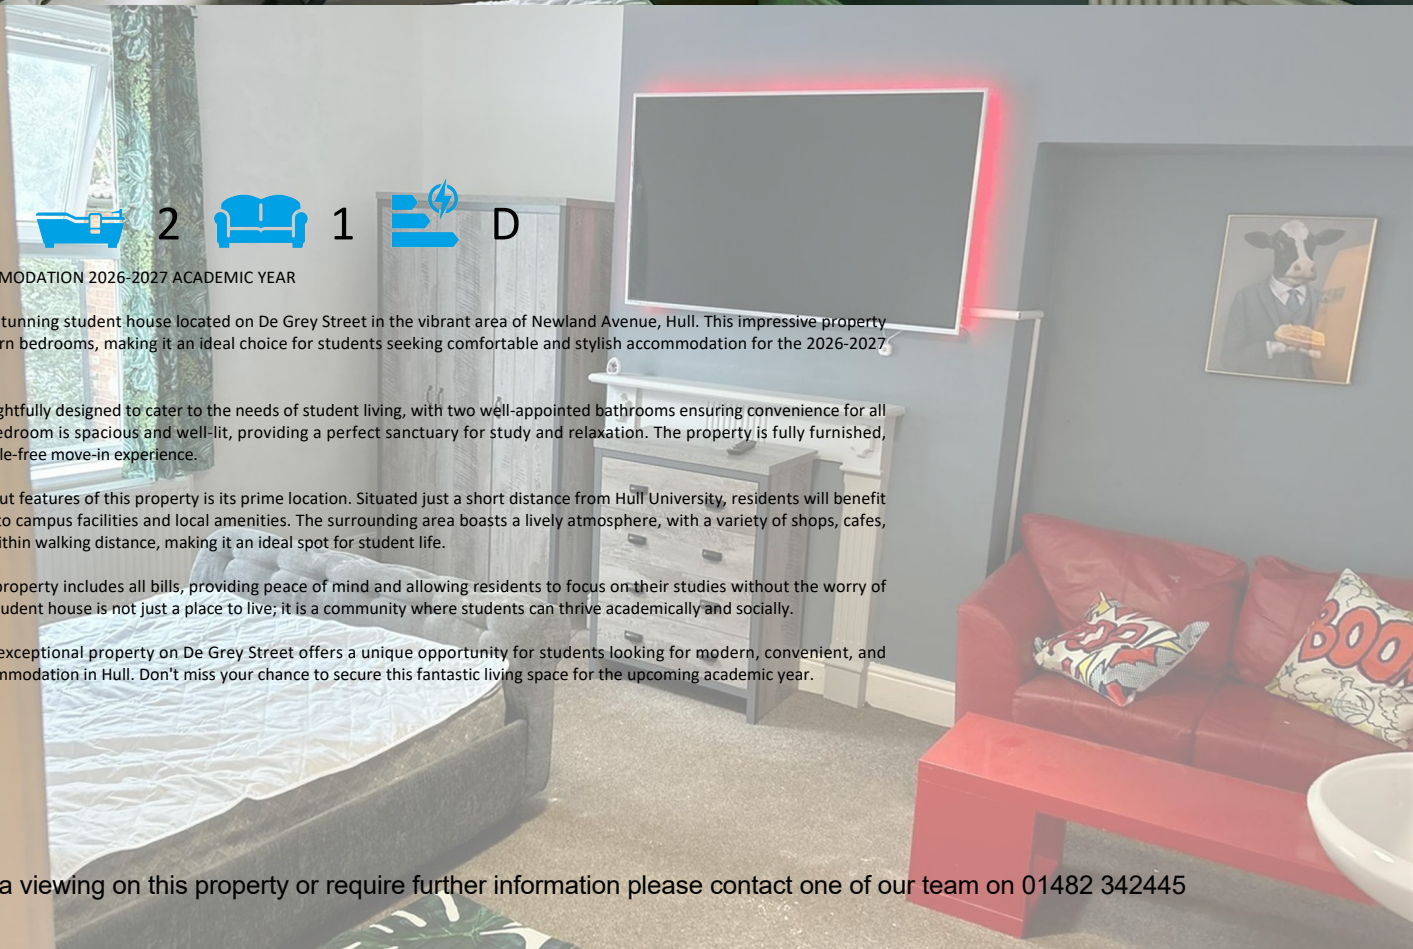

One of the standout features of this property is its prime location. Situated just a short distance from Hull University, residents will benefit from easy access to campus facilities and local amenities. The surrounding area boasts a lively atmosphere, with a variety of shops, cafes, and restaurants within walking distance, making it an ideal spot for student life.

Additionally, the property includes all bills, providing peace of mind and allowing residents to focus on their studies without the worry of extra costs. This student house is not just a place to live; it is a community where students can thrive academically and socially.

In summary, this exceptional property on De Grey Street offers a unique opportunity for students looking for modern, convenient, and well-located accommodation in Hull. Don't miss your chance to secure this fantastic living space for the upcoming academic year.

| Energy Efficiency Rating                    |         |           |
|---------------------------------------------|---------|-----------|
|                                             | Current | Potential |
| Very energy efficient - lower running costs |         |           |
| (92 plus) A                                 |         |           |
| (81-91) B                                   |         |           |
| (69-80) C                                   |         |           |
| (55-68) D                                   |         |           |
| (39-54) E                                   |         |           |
| (21-38) F                                   |         |           |
| (1-20) G                                    |         |           |
| Not energy efficient - higher running costs |         |           |
| England & Wales                             |         |           |
| EU Directive 2002/91/EC                     |         |           |
