IF YOU LIVED HERE.....

Your home begins with a bright bay fronted reception room, where high ceilings and original cornicing add a sense of character and openness. The large bay window brings in plenty of natural light, creating a warm and inviting living space with well judged proportions and room to both relax and entertain. Moving through the home, the bedrooms sit along the hallway, offering calm and well separated sleeping spaces. The bathroom has a clean, modern finish and features a walk in shower, designed with simplicity and everyday comfort in mind. To the rear, the kitchen has been thoughtfully arranged and finished with solid wood worktops, bringing warmth and texture to the space. Just beyond, a dining room offers a lovely setting for shared meals or relaxed evenings at home. Bifold doors open directly onto your private south facing garden, where a patio area and palm tree create a characterful outdoor spot for morning coffee or time with friends in the warmer months.

WHAT ELSE?

- Leyton Underground Station (Central line) is a short walk away, offering reliable and direct connections into the City and West End.
- Drapers Field is close by, a well loved local green space with open grass, tennis courts and space to unwind outdoors.
- Olympic Park and Wanstead Flats are both within short walking distance, with Hackney Marshes and Victoria Park a little further away for longer weekend walks.

A WORD FROM THE OWNER...

"We bought the flat as our first property. Moving from Hackney we wanted to remain close by and Leyton has proved to be a brilliant neighbourhood to move to.

We have refurbished the flat, creating a light, homely space that retains character whilst makes the most of the outside space and the sunny south-facing garden.

Being 5 mins from the central line makes us incredibly well connected and is great for commuting. The street itself has a calm nature, with loads of friendly faces! "
