**Description**  
Perched in an elevated position with breathtaking, uninterrupted views of the sea, this striking double-fronted split-level home offers a rare blend of Mediterranean charm and coastal tranquillity. Bathed in natural light thanks to expansive windows and thoughtfully placed skylights, the property has been designed to make the most of its awe-inspiring surroundings. As you step inside, a welcoming hallway with practical storage space and stairs leads you to the heart of the home.

The principal bedroom is a peaceful retreat, complete with built-in storage and a stylish en-suite shower room. A second generous double bedroom also features fitted storage, while the third double bedroom—set to the rear of the property—boasts direct access to the outdoors, perfect for guests or flexible use. A well-appointed family bathroom, positioned at the back of the home, completes the lower level.

Upstairs, the spacious open-plan living and dining area creates a warm and sociable

atmosphere, with a cosy log-burning stove at its heart and a wide opening to the kitchen—ideal for entertaining. The kitchen is well-equipped with a range of wall and base units, integrated appliances including an oven, grill, and dishwasher, and two large skylights that flood the space with light. The dining area enjoys panoramic sea views and flows seamlessly into a charming sunroom—perfect for morning coffee or quiet reading—with doors opening onto the rear garden.

Outside, the home continues to impress. To the front, a beautifully enclosed patio area with a pond offers a serene space for relaxing or alfresco dining. Steps lead up to a tiered garden where a delightful sun house awaits—a peaceful hideaway with its own balcony, perfectly positioned for enjoying a glass of wine as the sun sets over the sea.

The property also benefits a ground source heat pump and solar panels giving it a low C rating on the EPC meaning lower energy bills for the home owner.
