No Chain. Situated within a well regarded gated retirement development in Heath, this beautifully presented and rarely available corner bay window two bedroom apartment offers light filled accommodation, thoughtfully arranged to provide both comfort and practicality. Constructed during the mid 2000s, the property has been carefully maintained and is presented in good order throughout, creating an inviting home ready for immediate occupation.

The accommodation is centred around a welcoming entrance hall with useful storage. The generous lounge enjoys an abundance of natural light from multiple windows overlooking the side and rear aspects, while French doors with a Juliet style railing provide an attractive focal point and pleasant outlook. Adjacent, the kitchen is well equipped with a range of fitted units, integrated cooking appliances and space for everyday appliances.

Both bedrooms are well proportioned, with the principal bedroom benefiting from built in storage, while the second bedroom enjoys a rear facing position and a fitted wardrobe. A well appointed shower room completes the accommodation. For additional peace of mind, emergency pull cord assistance is installed throughout the apartment, including within all principal rooms, providing direct access to support when required. Residents also benefit from attractive communal gardens, secure gated parking, a residents' lounge and kitchen, together with the presence of an on site development manager.

Heath remains one of Cardiff's most established and sought after residential districts, prized for its mature surroundings, excellent amenities and strong transport connections. Residents enjoy convenient access to local shops, cafés and healthcare facilities, together with nearby green spaces including Heath Park, one of the city's most attractive open spaces. The area is particularly well served by public transport, with regular bus services and nearby railway stations providing easy access to Cardiff Centre.
