Full Description

A Home That Truly Stands Out

A superbly presented three-bedroom terraced home with exceptional open plan living, beautifully transformed to create an impressive contemporary residence with exceptional open-plan living, a high-quality specification and beautifully maintained gardens. This is also a wonderful cul de sac with a friendly feel.

From the moment you step inside, the quality and attention to detail are immediately apparent. The ground floor has been thoughtfully designed around an outstanding 28' x 16' open-plan living, dining and kitchen space, creating a wonderfully light, sociable and versatile area that is perfectly suited to modern family life and entertaining.

The re-fitted kitchen forms a stylish centrepiece, featuring a comprehensive range of contemporary units and integrated appliances, while the generous living and dining areas provide an excellent sense of space and flow. The entrance hall also benefits from a re-fitted cloakroom.

To the first floor are three well-proportioned bedrooms, together with a beautifully appointed re-fitted family bathroom, offering modern and stylish accommodation throughout.

The property has been enhanced by an impressive range of additional features, including air conditioning and fly screens to some windows, ensuring year-round comfort.

Outside, the beautifully maintained rear garden provides a private and attractive setting, ideal for outdoor dining and entertaining during the warmer months. Further benefits include a private parking area, an electric vehicle charging point, and a garage located in a nearby block with both light and power.

The location is equally appealing, being within approximately one mile of the town centre and offering convenient access to Marlow Bypass, Marlow Business Park and Marlow Station. The combination of an excellent location and exceptional presentation makes this a particularly desirable home.

With its generous open-plan living space, stylish re-fitted kitchen and bathroom, excellent specification, private garden and superb parking provision, this is a home that offers both contemporary style and practical everyday living.
