Kimberley's are delighted to bring to the market this detached, elevated bungalow, set within a generous plot in the popular village of Budock Water. Treveryn Park is a select cul-de-sac of properties nestled in the valley on the southern side of the village, offering a peaceful setting while remaining close to local amenities.

This detached bungalow has undergone a schedule of improvements during our vendors ownership and yet it still offers further scope and opportunity for a new purchaser to enhance the property to suit their own tastes and requirements.

Accommodation in brief includes a large dual aspect lounge with feature wood burning stove, kitchen/dining room with countryside views, three bedrooms and a bathroom suite in white. Benefits include UPVC double glazed windows and doors, oil fire central heating by radiators. Outside the gardens front and rear gardens have been thoughtfully landscaped and at the rear lies a useful and versatile home office or study.

Budock Water has an active community and offers a general store, the popular Treloarwarren Arms public house, the Sanctuary restaurant, village hall and a church. Budock is approximately two miles from Falmouth and the harbour and is served by a regular bus route and is close to Mawnan Smith and the Helford river.

As our client's sole agents, we thoroughly recommend an internal viewing to fully appreciate what this property has to offer.
