136 North Road

Hertford, SG14 2BZ

Situated in one of Hertford's most sought-after locations, just a stone's throw from Hertford North station, this four bedroom, two bathroom semi-detached family home offers excellent living space, a large driveway and a rear garden extending to over 100ft.

The ground floor has been thoughtfully arranged to suit modern family life, comprising a comfortable living room with a feature log burner, separate dining room, additional family room, kitchen and downstairs cloakroom. The versatile layout provides plenty of space for both everyday living and entertaining.

Upstairs, the property offers four well-proportioned bedrooms, including three generous doubles. The principal bedroom benefits from an en-suite shower room, whilst the remaining bedrooms are serviced by a well-appointed family bathroom.

Externally, the rear garden is undoubtedly one of the property's standout features. Extending to approximately 100ft, it provides an excellent amount of outdoor space and also benefits from a detached outbuilding, currently used as a home office, making it ideal for those working from home or requiring additional flexible space.

To the front, a generous driveway provides ample off-street parking.

The location is another major selling point. Hertford North station is just a short walk away, whilst Hertford town centre, highly regarded schools, and the open green spaces and countryside walks surrounding the town are all within easy reach, making this an ideal home for families and commuters alike.
