Located just 0.3 miles from Wanstead High Street and Snaresbrook Central line Station, this charming apartment forms part of an elegant former Victorian townhouse. The property benefits from share of freehold, double-glazed windows and newly fitted carpets.

The apartment is particularly appealing for its bright and airy feel, with generous proportions throughout creating a surprisingly spacious home. The beautifully presented living room provides a warm and welcoming space, enhanced by a striking feature fireplace, while the separate shaker-style kitchen is a real highlight, combining attractive sage cabinetry with chunky timber worktops, stylish white metro-tiled splashbacks and integrated appliances. The spacious double bedroom includes a built-in wardrobe, while the contemporary bathroom is fitted with a modern suite and overhead shower. Additional storage is provided throughout the apartment, whilst the home enjoys the unique advantage of a sky light in the hallway to allow the light to flood in and create a bright and welcoming entrance.

Further benefits include residents' unallocated parking to the front of the property and access to a communal garden. The garden is currently divided into four private gated sections by the freeholders, with one section allocated to each apartment, creating a peaceful outdoor retreat ideal for al fresco dining and relaxing during the warmer months.

Offered chain free and with a share of the freehold, this property presents an excellent opportunity for first-time buyers, downsizers, or investors alike. Positioned on Hermon Hill, the apartment enjoys a highly sought-after location within easy reach of Wanstead High Street's popular independent cafés, restaurants and boutiques, as well as London Underground and the picturesque Eagle Pond.
