Description

The internal layout begins with a welcoming porch that opens into the dining hall, which flows seamlessly into the lounge at the front of the property. To the rear, a well-proportioned kitchen enjoys both a window and direct access to the garden, while a family bathroom completes the ground floor.

Upstairs, the landing leads to three bedrooms, including a generous principal double positioned at the front of the house.

Outside, the rear garden starts with a paved patio, extending to a low-maintenance artificial lawn bordered with mature planting and leading to a detached garage. At the front, a shingle garden with further planting is complemented by off-street parking. The current owners advise that planning permission was previously granted (now lapsed) to convert the garage into a detached annexe.
