📊 EPC Rating

A small, bespoke development of two exclusive, eco-friendly, executive detached family homes, superbly positioned within the highly desirable village of Derry Hill, which is located between the market towns of Chippenham and Calne. These magnificent homes have been created by the local, and award-winning Calibre Homes, and are both carefully and cleverly designed, and built with exceptional quality to accommodate the demands of modern family living.

Redwing House is positioned to the right of the two properties, and features accommodation comprising: entrance hall, cloakroom, sitting room, study / play room, show-stopping kitchen / dining / family room - the kitchen is bespoke and fully fitted, benefitting from solid quartz worktops. There is a utility room perfectly matching the kitchen's style, with internal access to the garage. The entirety of the ground floor benefits from underfloor heating, ensuring comfort especially throughout the colder seasons.

To the first level are the five bedrooms and family bathroom. The principal bedroom and main guest room both benefit from an en-suite shower room, whilst the principal bedroom also offers a walk-in wardrobe. The three additional bedrooms share the well-appointed family bathroom with separate shower.

Externally, there is a well-proportioned garden with sandstone patios and the remaining area being laid to lawn, north-westerly facing garden to the rear, an integral single garage and off-road parking for three vehicles, to the front.

Further benefits include solar panels, and electric car charging point (Expected EPC A Rating)

Situation

Built by the award-winning Calibre Homes, this executive development of only 2 homes, is positioned within the very popular village of Derry Hill, which offers a primary school, post office/ village shop (newly rebuilt), church and public house. Bowood House and Gardens together with the Hotel Spa and Golf course are situated nearby. There is a more comprehensive range of amenities available in nearby Chippenham to include mainline railway station (London-Paddington) and the M4 motorway at Junctions 16 & 17 offers excellent motor commuting to the major centres of Bath, Bristol, Swindon and London.
