Tennyson Street, SW8

Accessed via its own private entrance the accommodation provides fantastic and practically-arranged living spaces. This includes a shaker style fitted kitchen/breakfast room with ample space for a dining table and sofa which in turn leads out to a sunny paved rear garden with raised shrub borders and a large family bathroom fitted with underfloor heating and in a smart, contemporary style.

As the current owners demonstrate, and depending on an individual's needs, the two rooms towards the front of the property could be used as either a principal bedroom and further living/reception, or two good-size bedrooms if desired. Both have fitted wardrobes and receive plenty of natural light.
