A well presented two bedroom ground floor retirement apartment offered with no onward chain. 17 Sheppys Mill forms part of a purpose built development for the over sixties on the edge of Congresbury and is arranged for easy single level living. A communal entrance serving only four homes, leading to a private front door and a welcoming hallway with useful storage and an airing cupboard. The layout flows into a light lounge diner with direct access to the communal gardens, creating a pleasant space for everyday living and hosting visitors. A separate kitchen sits off the hall and is fitted with a practical range of wall and base cabinets with worktops and appliance space. Two bedrooms provide flexible accommodation, with the principal room offering generous proportions and the second room working well for guests, a study or hobbies. A modern wet room completes the internal layout. The lounge doors open straight onto the communal gardens, a key feature for those who enjoy spending time outside. Lawns and established planting are maintained as part of the development's arrangements so you can enjoy the outlook without the upkeep. The apartment benefits from an allocated parking space positioned a short, level walk from the entrance, helping day to day life run smoothly.

Sheppys Mill sits in a central village position close to bus stops, everyday amenities and main road links. Congresbury offers shops, cafes, a doctor's surgery and welcoming pubs, with wider facilities available in nearby Yatton, Clevedon and Weston super Mare. Road connections via the A370 provide straightforward access to Bristol and the M5, while Yatton station offers mainline rail services to Bristol, Bath and London Paddington. For buyers seeking a chain free move to a manageable home with direct garden access and convenient local connections, 17 Sheppys Mill is an excellent option.
