To the right, the lounge offers a refined yet welcoming retreat, perfectly enhanced by a south-facing bay window that draws in natural light throughout the day. It is a room made for relaxed evenings and comfortable family living. Moving further into the home, the heart of the property unfolds into a stunning open plan kitchen/diner, designed with modern family life and effortless entertaining in mind. The kitchen has been fitted with a contemporary finish with excellent storage and a large central island that naturally becomes the social hub of the home. With two integrated fridge freezers, integrated appliances and a breakfast bar, perfectly suited to busy weekday mornings or hosting friends over a glass of wine. The dining and family area enjoys a wonderful connection to the garden through large folding doors, allowing the space to open freely during warmer months. A convenient ground floor W/C completes the layout, adding everyday practicality to this stylish and sociable ground floor.

First Floor

The first floor continues the home’s impressive sense of comfort and thoughtful design. The first bedroom is a spacious double room, offering large sliding door wardrobes providing excellent storage. Its en-suite shower room adds a luxurious finishing touch, styled with modern fully tiled walls to create a sleek and refined space. Also positioned on this floor are bedrooms four and five, both offering superb flexibility for growing families. Whether arranged as children’s bedrooms, a nursery, dressing room, study or a dedicated work from home space, these rooms allow the home to adapt naturally to changing needs. Their placement on the same floor as the first bedroom makes them particularly well suited to younger children. A three piece suite bathroom completes this level with a sophisticated and contemporary finish. Beige fully tiled walls create a soft, calming backdrop, while the freestanding bath and floor-mounted tap bring a boutique-style feel to the room. A W/C and hand basin set within a modern vanity unit add both elegance and practicality, resulting in a bathroom that feels as relaxing as it is functional.

Second Floor

The second floor provides another beautifully versatile level of accommodation, ideal for families who need space to host guests or create separate zones for older children. Bedrooms two and three are both generous in size, offering excellent proportions and a sense of privacy away from the rest of the household below. These rooms would work wonderfully as bedrooms for teenagers wanting their own space, comfortable guest rooms for visiting family, or even as additional office or hobby spaces if required. Serving this floor is a stylish shower room, fitted with a large walk-in shower featuring

both a handheld attachment and rainfall shower head. A W/C and hand basin within a vanity unit complete the suite, providing a smart and convenient bathroom facility for the upper bedrooms. It is a thoughtful addition that enhances the home’s practicality and makes the second floor feel wonderfully self-contained.

Exterior

Externally, the property has a striking modern appearance, reflecting its young age of just eight years and offering the reassurance of a contemporary build. The frontage is smart and practical, with two parking spaces providing valuable off-street parking, while an external storage cupboard offers a useful place for outdoor essentials, children’s toys, seasonal items or garden equipment. To the rear, the garden has been newly laid with fresh turf, creating a crisp, inviting and ready-to-enjoy outdoor space. A patio area sits perfectly for al fresco dining, outdoor seating and summer barbecues, extending the living space beautifully from the open plan kitchen/diner. The folding doors from the kitchen/diner allow gatherings to spill outside with ease, making this a wonderful home for entertaining. At the far end of the garden, established trees provide a lovely natural backdrop and enhance the sense of privacy. Whether enjoyed as a safe space for children to play, a peaceful setting for morning coffee or a sociable garden for family and friends, the outside space complements the home beautifully and adds to its overall lifestyle appeal.
