Hertford, SG14 3AN

Positioned in a highly sought-after part of Bengeo and just a stone's throw from Hertford North station, this well-kept and chain free three bedroom Victorian end of terrace home offers a great balance of character, space and future potential.

The ground floor is well arranged, with a useful entrance porch leading through to a separate living room at the front of the property. To the rear, there is an open plan kitchen/dining room which works well for both day-to-day living and entertaining, with access out to a good sized courtyard garden - ideal for low maintenance outdoor space. The family bathroom is also located on the ground floor.

Upstairs, the property offers three well-proportioned bedrooms, with the principal bedroom positioned at the front of the house. Each room is comfortable in size and in keeping with the proportions you would expect from a home of this era.

A real additional benefit is the generous loft space, which offers clear potential to extend (subject to the usual planning permissions), making this an ideal long-term home.

Externally, the property sits within easy reach of Hertford town centre, Hertford North station and a range of nearby walks, further adding to its appeal.
