Flat 4 St Kevern, 63 Christ Church Road, Lansdown, Cheltenham GL50 2PR

Spacious three-bedroom garden flat set within an elegant detached period villa in central Cheltenham, close to Montpellier and the railway station. Featuring private gardens, a garage, and generous accommodation, this characterful home is ideal for buyers seeking space and convenience.

This spacious three-bedroom garden flat occupies the lower ground floor of an impressive detached period villa in a highly sought-after central Cheltenham location. Positioned within easy walking distance of Montpellier, the town centre, and Cheltenham Spa railway station, the property offers an excellent blend of period charm, private outdoor space, and everyday convenience.

The property is approached via its own private front garden, providing a rare sense of privacy and independent access. A storm porch leads into the entrance hall, which opens into a generous inner hall/breakfast room — a versatile central space ideal for informal dining or home working.

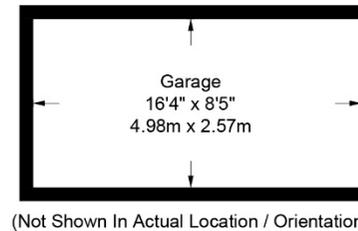

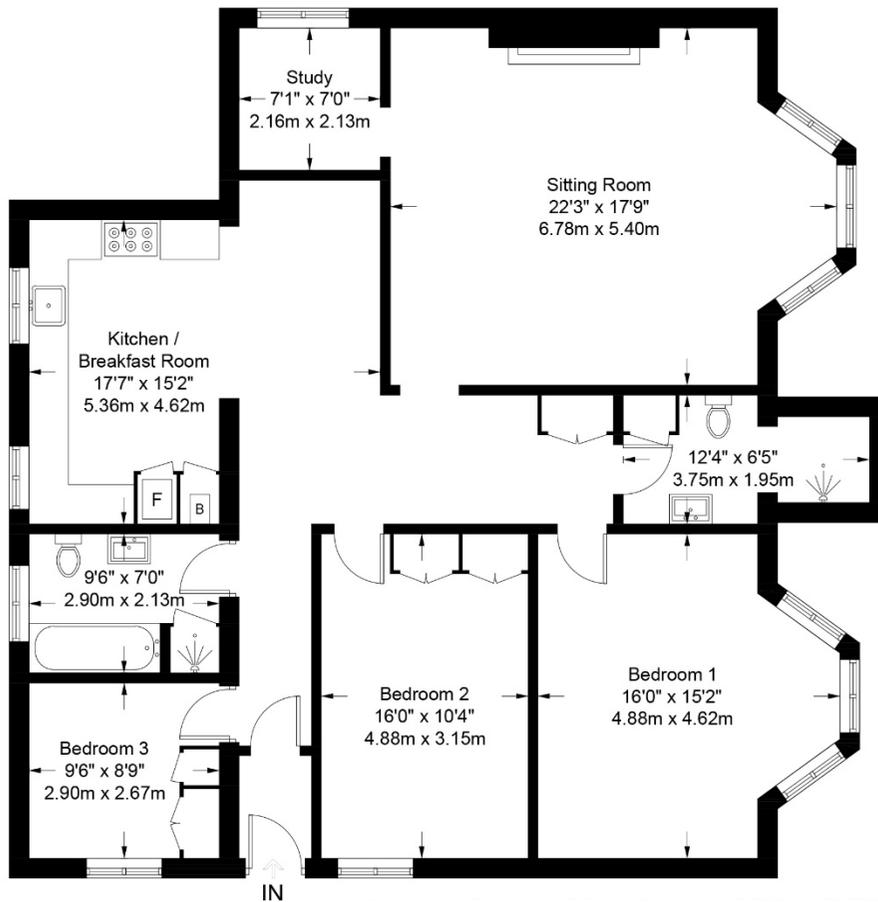

The sitting room is a standout feature, enjoying a deep splay bay window that floods the room with natural light, along with a period-style fireplace that enhances the character of the home. A useful study/store room is accessed directly from the sitting room, offering flexible additional space.

The kitchen is well-proportioned and fitted with handcrafted painted units complemented by oak block work surfaces, a deep white sink, and integrated appliances — ideal for modern living while retaining a classic aesthetic. The principal bedroom benefits from a splay bay window, while the two further bedrooms both feature fitted wardrobes, making the property well suited to families, downsizers, or buyers needing home office space. The bathroom is fitted with a period-style suite including a separate shower, and there is also an additional shower room with WC, basin, and large walk-in shower.

Externally, the private garden (approximately 55' x 17') is attractively paved and landscaped with raised beds, extending to the rear of the building (approximately 44' x 15'). The garden is enclosed by brick walling and wooden fencing, creating a secure and low-maintenance outdoor space ideal for entertaining.

Further benefits include a nearby garage, gas-fired central heating and permit parking.
