Dunfermline

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honours competition to celebrate Queen Elizabeth's platinum jubilee. The honour was officially conferred by King Charles in a ceremony in Dunfermline city chambers on 3rd October 2022. The Royal Burgh is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House also reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth, Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. Dunfermline benefits from a full range of shops, social and leisure facilities and educational establishments associated with a modern city. The local railway stations provide regular services to Edinburgh with rail links to other parts of the UK. There are also regular and convenient bus services both local and national with bus stations available in the centre of Dunfermline and park and ride services available from Halbeath and Inverkeithing.
