THE DWELLING

This semi-detached property forms part of a small development set within the heart of the Blackmore Vale countryside. The property offers spacious and versatile accommodation throughout, complemented by its idyllic rural setting. In addition, the property provides excellent potential for extension, subject to the necessary consents, making it a rare opportunity in this sought-after location.

ACCOMMODATION

The entrance hall provides a welcoming sense of space, with a cloakroom conveniently located off to one side. The living room, positioned at the front of the property, is generously proportioned, while to the rear lies the kitchen, fitted with ample cabinetry and space for appliances. From here, access is provided to the dining room, which in turn leads into the conservatory, a versatile space with doors opening onto the garden. Adjacent to the kitchen, a useful utility room offers additional cabinetry, appliance space, a sink, and external access.

On the first floor, there are two spacious double bedrooms, both served by the family bathroom. A further room on this level lends itself well to use as a study, hobby room, or nursery, and also provides stairs rising to the attic room.

The attic room itself is a particularly versatile space, benefitting from Velux windows, generous proportions, and eaves storage.

GARDEN

To the front, the property is approached via a driveway providing

ample parking, bordered by mature trees and shrubbery. The garden wraps around the side to the rear, where a generous lawn is complemented by a patio area directly adjoining the house, ideal for outdoor entertaining. Beautifully established, the garden features a variety of mature trees, shrubs, and flower beds, together with summer house. A rear gate provides access to the single garage, with the property also owning the driveway that leads to the garaging at the rear.
