Wyken Croft
CV2 3AE

£310,000 Offers Over

Bedrooms 4 Bathrooms 2

There's something quietly captivating about this home on Wyken Croft. Perhaps it's the way the sunlight pours in from morning through to golden evening, dancing across freshly laid LVT flooring, or the sense of space that greets you before you've even taken your coat off. Set on a larger than average plot in a warm, family friendly pocket of the area, this four bedroom end of terrace doesn't just offer room to live, it offers room to breathe, grow, and properly settle in.

Step through the porch and into the hallway, where everything feels fresh, considered, and ready for its next chapter. To your right, the lounge opens out in a generous L shape, anchored by a charming bay window that invites the outside in. It's easy to picture slow Sunday mornings here, coffee in hand, sunlight stretching across the room. The inset spotlights add a soft glow as evening falls, and while the gas fire currently takes a back seat, the space still feels warm and welcoming. A sliding door gently leads you through to the heart of the home, creating that perfect balance between open plan living and cosy separation.

The kitchen and dining space is where this home truly begins to flirt with you. Extended to the rear, it offers a light filled, sociable setting where life naturally gathers. The shaker style cabinetry in soft tones keeps things feeling fresh and timeless, while the integrated appliances and generous worktop space make everyday cooking feel just that bit more enjoyable. French doors open out onto the garden, inviting summer evenings, laughter, and the occasional glass of something cold as the sun lingers just a little longer in the sky.

Tucked thoughtfully on the ground floor is a versatile double bedroom complete with its own en suite wet room. Whether it becomes a private haven for guests, a space for multi generational living, or simply a luxurious escape from the rest of the house, it adds a layer of flexibility that's hard to ignore. Practical touches continue with a separate boiler room and downstairs WC, keeping everything running smoothly behind the scenes.

Upstairs, the home continues to impress with three well proportioned bedrooms. The principal bedroom enjoys its own bay window and fitted wardrobes, offering both charm and practicality. A second double bedroom looks out over the garden, providing a peaceful retreat, while the third room lends itself perfectly to a nursery, home office, or a cosy single bedroom. The family bathroom is clean, bright, and thoughtfully finished, with a white suite, shower over bath, and a heated chrome towel rail that adds a touch of everyday comfort.

And then there's the garden. South facing and wonderfully generous, it feels like a private escape waiting to be enjoyed. Step out onto the decked area and you can almost hear the barbecue sizzling already. Beyond, a stretch of lawn bordered by mature shrubs leads you to a second patio, ideal for those quieter moments or catching the last of the evening sun. The garage sits neatly at the rear, offering further storage or potential, while side access adds everyday convenience.

With excellent access to the hospital, M6 Junction 2, well regarded schools, and nearby amenities including Tesco on Clifford Bridge Road, this home doesn't just offer a beautiful place to live, it makes daily life effortlessly easy. It's the kind of place that feels right almost instantly, where each room gently suggests how life could look, and where the hardest decision might just be how soon you can move in.
