Occupying a position on the southern edge of the development, the home enjoys a quiet frontage and attractive COUNTRYSIDE VIEWS.

On the ground floor, the entrance hall leads to a modern kitchen positioned at the front of the property, which benefits from plumbing for a dishwasher, together with a useful downstairs cloakroom. To the rear, the spacious living room provides an attractive and versatile reception space, enjoying a characterful fireplace and French doors that open directly onto the garden and allow plenty of natural light to flow in.

The first floor features two generous bedrooms. The main bedroom spans the full width of the house, offering a southerly aspect with far-reaching countryside views, and benefits from twin front-facing windows. The second bedroom overlooks the rear garden. Both rooms are served by a recently

renovated family bathroom that boasts a bathtub, low level W.C, wash hand basin and a plumbed Aqualisa shower over the bath.

Outside, the property enjoys a private rear garden designed for ease of maintenance, offering a patio area and astro turf, perfect for outdoor seating and relaxation. The garden is further enhanced by outside flood lights and power points, providing excellent practicality for evening use or outdoor entertaining. To the side sits the attached garage, which already benefits from a window to the front of the property, together with plumbing for a washing machine.

The garage also presents excellent potential for conversion (subject to planning permission) into a habitable space, making it ideal for multi-generational living or a dedicated home office. The garage is complemented by a driveway with space for two cars.

Within a short stroll, residents will find a local convenience store and a Chinese takeaway, adding to the everyday practicality of the location. Dorchester itself is a vibrant and historic county town offering an appealing blend of character, culture and modern convenience. The town provides an excellent selection of shops, cafés, restaurants and leisure facilities, along with two main railway stations located within approximately a 15-minute walk, offering direct services to both London Waterloo and Bristol. Road links are equally strong, with easy access to the A35 and A37 connecting to Bournemouth, Poole, Yeovil and the wider Dorset coastline. Regular bus services operate throughout the area, making Dorchester a well-connected and highly convenient place to live.
