The building feels very safe with a large entrance on the ground floor and an electronic entry system. There is a private parking space right outside the building and the option to purchase additional spaces should you wish.

The property comes with a fully fitted kitchen (including fridge/freezer, dishwasher and oven with electric hob, a utility cupboard with washer/dryer, a double bedroom with wall length built in wardrobes and a modern bathroom with wall storage and a shower attachment over the bath, as well as plenty of storage cupboards and air filtration system which purifies the air.
