

10. Gladstone Street, Rothwell NN14 6ER

An excellent fully refurbished to a high standard and AVAILABLE approx. late November 2026, this two-bedroom terraced house with a rear garden.

Improvements include newly insulated external walls, new flooring throughout, a new boiler and heating system, and new double glazing. There is also a new cloakroom W.C., a new kitchen with a built-in double oven, hob, 50/50 fridge-freezer and dishwasher, and a new bathroom with a shower over the bath.

The accommodation comprises a lounge/sitting room, cloakroom W.C. and kitchen/breakfast room, with a boiler cupboard also providing plumbing for a washing machine. Upstairs, the landing leads to two bedrooms—one double and one single—and the bathroom.

Outside, there is a courtyard-style rear garden. The property is conveniently located close to the town centre.

Refurbishment works currently on going yet viewings still being undertaken by appointment, Front image AI generated
