Camerons Stiff & Co.

An exquisite semi-detached
1920s house, situated in a
commanding position on a
coveted road in Kensal Rise. The
house offers a rare and exciting
opportunity to acquire a
beautifully refurbished family
home in a truly enviable location.

Upon entering, it becomes immediately apparent that the current owners have undertaken a meticulous interior and architectural design process. The house has been comprehensively refurbished to an outstanding specification throughout. The owners carried out a full rear extension on the ground floor, in addition to a comprehensive loft conversion, creating a principal master bedroom suite.

The specification of this house is exceptional. The kitchen is a solid wood 'Shaker'-style design, featuring brand-new modern appliances and natural stone finishes. The property boasts walnut flooring and floor-to-ceiling doors throughout. The ground floor is arranged into two principal living areas, including a large reception room at the front that is deliberately separate from the rear.

The house has a distinctly light and airy feel. The rear of the property benefits from an abundance of natural light throughout the day, owing to two large skylights. There is a mature and secluded 67ft garden at the rear, with side access.

The upper floors offer four bedrooms. The first floor comprises three bedrooms, one of which is en suite. The remaining two rooms are served by a separate family shower room. The principal bedroom is situated on the top floor and features a walk-in wardrobe and an en suite shower room.

A full specification list is available upon request.
