Beautiful cottage situated in the North End of Yatton Village. 15 North End is a wonderful two-bedroom terraced home, with an additional loft room, packed with period features and charm, perfectly located for access to the main line railway station in the village of Yatton. This charismatic home is set out over three floors and comprises of entrance hall, cosy sitting room to the front that features a beautiful exposed brick fireplace with log burning stove, and flows effortlessly into the dining area. To the rear is the kitchen that features a vaulted ceiling with Velux windows, flooding it with natural light, with the convenience of a utility room adjacent. On the first floor, there are two well-proportioned double bedrooms that offer built-in storage and a recently fitted four-piece bathroom. Stairs rise from the first-floor landing, leading to the added benefit of a loft room, providing versatility to this fabulous property.

The rear garden enjoys plenty of summer sun as it boasts a South West orientation. Split by the traditional coalman's pathway, an area laid to slate chippings is immediately outside the kitchen door and is the perfect spot for those potted plants. The other section is a wonderful lawned and seating area that is very generous for a property of this type, and although open to the neighboring gardens at the moment, it can be fenced off to create an enclosed area just for you. As this area is split into two by a conifer hedge, the rear section of the garden would be an ideal spot for those willing to have a go at growing their own vegetables.

Situated in Yatton's North End and only a short walk from Yatton's mainline railway station connecting to both London and the West Country. Locally you have a range of amenities that include village shops, cafes and many more. The local primary school is only a short walk and also within the catchment of the highly regarded Backwell secondary school and Sixth form, Bristol International Airport is just 6.5 miles away
