5 Priory Mews, Norton YO17 8AE

Particularly good sized first floor apartment in this now well established block of six properties in all located off Scarborough Road. The living area and dining kitchen are both extremely spacious leading through to a generous double size bedroom and separate bathroom. The windows have been replaced with uPVC double glazing, there is gas central heating and outside there is the benefit of an off road parking space. All round we see this as an excellent opportunity for first time buyers to enter the property market, alternatively well suited as a low maintenance retirement home.

Lease details

The six residents created a new lease from 2017 for a term of 999 yrs. Each of the six owners have a sixth share of Norton Priory Management Company Ltd allowing them to very much be in control of their own affairs, our vendor of number 5 is the current secretary. Each owner pays £50 per month (£600 each year) into a service charge account to cover communal costs such as the buildings insurance, window cleaning, decorating or the communal hallway. We believe that the property only allows owner occupation and that renting out is therefore not permitted.
