Asking Price £550,000

This beautifully presented and extensively renovated home combines charming period features with modern, energy-efficient living, all within easy reach of local shops, schools and everyday amenities.

The property has been significantly improved by the current owners, beginning with a new roof and a fully boarded loft, providing excellent additional storage. The exterior of the house has been completely re-rendered and painted, while new double glazing has been installed throughout along with a brand new porch. A particularly attractive feature is the original 1930s stained glass 'sunrise' window in the front door, which has been carefully restored.

Inside, the ground floor has been opened up to create a bright and spacious open-plan living space ideal for modern family life and entertaining. Original wooden floorboards have been exposed and sanded, with underfloor insulation added. The space flows seamlessly into a high-quality fitted kitchen with some integrated appliances. During this renovation the ground floor also received partial rewiring.

The home benefits from a new boiler, new radiators throughout. Many rooms have been fully replastered, while upstairs features new flooring and carpets throughout. Bespoke fitted wardrobes and storage cupboards, crafted by a local carpenter, provide excellent built-in storage in both the primary bedroom and dining room.

Outside, both the front and rear gardens have been landscaped, including the addition of a decking area perfect for outdoor seating. A standout feature is the purpose-built garden office. This impressive outbuilding has been fully insulated and fitted with underfloor electric heating, electricity and a wired internet connection, the space also benefits from bi-folding doors opening onto the garden. Currently used as a design studio with multiple desks and shelving, it offers a versatile space ideal for home working, a studio or hobby room.
