A magnificent double-fronted Edwardian home, brimming with period character and offering nearly 3,000 sq ft of accommodation over four levels. Set within a substantial garden plot and ripe for full renovation, this is an exciting opportunity to create one of Marple Bridge's finest family homes. **** No Seller Chain****

The house requires comprehensive modernisation and a significant programme of investment. However, for a buyer with the vision and appetite to take on a substantial project, the potential is extraordinary. Grand proportions, high ceilings, bay windows and traditional architectural details provide the foundations for a truly exceptional restoration.
