Silverman Black is delighted to offer this charming and characterful four bedroom semi detached home located in one of the most sought after residential streets in Carshalton Village centre. The property, which is presented in excellent decorative condition provides spacious and flexible living accommodation comprising a large entrance hall, two substantial independent reception rooms, a newly configured ground floor WC and an open plan, eat-in kitchen breakfast room on the ground floor. Upstairs, the property boasts four genuine double bedrooms, the family bathroom with a refitted suite and access to an impressive loft space, which could house a huge master bedroom suite or alternatively two further generously proportioned rooms (STPP). Internally, the property combines many of the characteristics of early post-Edwardian houses (built in 1932) - large square rooms, high ceilings, original cornices and fireplaces - with more modern functionality including a new downstairs WC, refitted kitchen with many fitted appliances and a reconfigured family bathroom. Externally, the house has a pretty and mature front garden, block paved parking for one vehicle and a single garage, attached at the side, whilst the rear garden is roughly 100 ft x 32 ft and comprises a sizable patio area, mature lawns with surrounding flower beds & borders, whilst featuring a purpose-built home office/gym/summer house. In terms of local facilities, Carshalton Village centre and Carshalton Park are both only about 5 minutes walk away (0.25 miles), whilst Carshalton Station (accessing London Victoria & The City) and Carshalton Beeches BR stations (accessing London Bridge) are just over 10 minutes walk away (0.6 miles). The central location means that all Sutton's five Grammar Schools are within a 3 mile radius, whilst St Philomena's Secondary & St Mary's RC Primary are both within 0.25 miles. Viewing of this exceptional home is very highly recommended - so call today to book your visit!
