Description

What an ideal starter family home, that is situated in the heart of Whiteley, you have shops, eateries, and a Primary School on your doorstep, all within walking distance; if running is your thing, then you could even join the Park Run at the weekend.

Enjoying a garage with parking to the front, the property is approached by a path to the front door. Stepping into the hallway with a handy cupboard for shoes and coats, you will be pleased to see a very practical tiled floor which continues through to the downstairs toilet and into the kitchen, which will help to keep things neat and tidy. The cream shaker-style kitchen, to the front of the house, is well-fitted, and has a built-in oven, hob and extractor. There's space for a dishwasher and washing machine, and a wine rack for your favourite tittle.

The L-shaped living room, to the rear of the house, is a good size for your sitting and dining furniture, and the added conservatory gives additional flexible space to use.

The upstairs landing has loft access with a ladder and is boarded; the boiler is there too. The main bedroom is a really good size, with built-in wardrobes to one wall. Bedrooms two and three are of a similar size to each other, and one has a cupboard. The modern family bathroom is very nicely fitted with a white suite, and the bath has a shower over; tiled floors and walls, plus fitted cupboards all create a nice tidy look.

Outside, the garden is laid to lawn and enclosed by fencing, with a rear gate that leads to the garage personnel door.
