Description

New House Farm offers a great opportunity to purchase an adaptable grassland farm occupying an unspoilt and accessible rural location only 4 miles from Horsham town centre. **The farm offers good potential for mixed farming, equestrian, recreational or conservation uses and along with the redevelopment scope to the barns (all subject to any required consents).** In addition to the good size farmhouse of early 20th Century origins with later additions there is a good range of farm buildings with further potential as well as the rolling pastureland with the farm as a whole extending to c. 39.33 acres (15.92 Ha). **A further c. 14.38 acres (5.82 Ha) of adjacent pastureland across the lane could potentially be available for purchase by separate negotiation.**

The farmhouse includes mellow external elevations of brick with part tile hanging under a clay tiled pitched roof with decorative club tile courses and with replacement uPVC double glazed windows. There are generally good ceiling heights and a number of windows from which to enjoy the outlook over the farm plus to the South Downs in the distance from the first floor. Having been in the same family's occupation since the occupying farming tenants bought the farm from the neighbouring Sedgwick Park Estate in around 1959, the farm buildings were redeveloped in the 1960s and the farmhouse was later extended by the next generation.

The house now offers great potential for an incoming purchaser to further personalise, modernise and improve to their own requirements and with flexible living space including the **farmhouse kitchen** with useful **utility room** off, **study**, **dining room** to **large extended living room** with **conservatory** off and **five bedrooms** and **bathroom** to the first floor, **each with a good rural outlook.**

The farmhouse sits in a **good size and attractive garden** mainly lying on the South and West sides and including old privy, **kitchen garden area** with greenhouse and two garden sheds. Beyond the garage and driveway are the range of mixed farm buildings with associated yard areas including a **pair of stables** at the front and an **old cubicle building** to the rear. The principal building comprises the **Tyler concrete portal framed barn** and adjacent to this is the **former dairy milking parlour building**. Both these buildings are subject to a **current application for a Class Q conversion of the buildings into 7 freehold 3-bed houses and being 2-storey to the main building and single storey to the old parlour.** See Horsham District Council planning portal ref: **DC/26/1364.**

The attractive pastureland has been sheep grazed over recent years and prior to that was farmed by the vendors' family with a mixed beef suckler herd after their prize winning Friesian dairy herd was dispersed in the 1991. The principal enclosure stretches to the West and gently slopes down to a **pretty ghyll with woodland rew** at its edge. To the South-West side is a **mixed broadleaf woodland copse of c. 3.75 acres** and with a continuing tree line to the Southern boundary with its separate field gate onto the lane.

Location

The farm enjoys a very good rural location in a peaceful spot and yet is within 4 miles of Horsham town centre and station. The largely pedestrianised retail commercial hub to this vibrant old market and commuter town offers an extensive range of shops, entertainment and other facilities including two cinemas/theatre, national and independent retailers including John Lewis, Waitrose and Marks & Spencer, plus a number of restaurants, pubs, delicatessens and bakeries.

Horsham has an excellent range of schools in the area including Collyer's College which is a short walk from the town centre, plus Tanbridge House School and Millais. Christ's Hospital school and station is within 5 miles of the property. Horsham railway station provides regular direct services to Gatwick airport (17 mins), London Victoria (55mins) and London Bridge (65mins).

On the outskirts of Horsham there are an excellent range of sporting and recreational opportunities including local golf courses and driving range, Horsham Joggers plus outdoor recreation centred around Horsham Park including its wildlife pond, swimming pools, tennis courts, cafe, aerial adventure, seasonal events and nature gardens. The Downs Link offers extensive walking, mountain biking and riding opportunities. The M23 and M25 motorways and other major routes and centres are readily accessible including via links from the A24 with Crawley within 11 miles and Gatwick Airport approximately 17 miles. Guildford is 24 miles and Brighton is 22.5 miles away. Southwater village also with its good range of facilities is 3.25 miles away. The A23 at Handcross is within 8 miles.

There are good links to nearby local Public Bridleways and Footpaths but without any public rights of way over the farm itself.
