# Dutch House

Bury Water Lane | Newport | CB11 3UA

Guide Price £750,000

- Substantial five bedroom semi detached home with accommodation spanning three floors
- Impressive open-plan kitchen/dining room
- Private landscaped garden
- Off road parking
- Offered with no upward chain
- Well located in the village of Newport just a short walk to the mainline train station

## The Property

This five-bedroom semi-detached home is arranged over three floors and features four modern bathrooms, including two en-suites and two separate shower rooms. Offered with no upward chain, the property boasts a spacious open-plan kitchen/dining room and a private rear garden with off-road parking within walking distance of a mainline station.

## The Setting

Bury Water Lane is a well-regarded residential address in the sought-after village of Newport, Essex, characterised by a blend of characterful cottages and modern family homes that often enjoy elevated views of the surrounding Cam Valley countryside. Residents benefit from a superb array of local amenities within walking distance, including the highly-rated Joyce Frankland Academy (0.2 miles) and Newport Primary School (0.5 miles), alongside a village shop, post office, and traditional inns like The Coach & Horses. For broader needs, the historic market town of Saffron Walden is just 3 miles away, offering extensive shopping and leisure facilities, while the larger town of Bishop's Stortford is approximately 10 miles south. The area is a commuter's dream, with Newport Station located within a 10-minute walk (0.6 miles) providing direct rail links to London Liverpool Street (approx. 60 mins) and Cambridge (approx. 20 mins), plus convenient road access to the M11 (Junction 8 or 9) and Stansted Airport, which is roughly a 15-minute drive away.

## The Accommodation

The ground floor of this modern home offers a bright and spacious layout, centred around an inviting entrance hall with high-quality wood flooring and an elegant timber staircase. To the left, a substantial open-plan kitchen/dining room serves as the heart of the home, featuring sleek, high-gloss cabinetry, integrated appliances, and a peninsula breakfast bar that separates the workspace from a generous dining area. This space is filled with natural light thanks to a large window and expansive bi-fold doors that open directly onto the garden. On the opposite side of the hallway, the dual-aspect living room provides a comfortable retreat with matching wood flooring and ample space for relaxation. Completing the level is a practical and stylish shower room, conveniently located off the main hallway to serve both guests and residents.

The first floor is arranged around a central landing featuring a continuation of the timber staircase and recessed spotlighting. This level comprises three well-proportioned bedrooms, including a spacious primary bedroom with a large triple-aspect window and a private en-suite. The additional two bedrooms are serviced by a contemporary family bathroom and have access to a dedicated storage cupboard located off the landing.

The second floor is reached via the continuation of the timber staircase, leading to a bright landing that provides access to the final two bedrooms and a shared shower room. Both bedrooms on this level feature characterful sloped ceilings with integrated Velux windows, ensuring the top floor feels airy and well-lit. The larger bedroom is particularly spacious and offers additional eaves storage access. Serving these rooms is a contemporary shower room.

### Outside

To the front of the property, a paved walkway leads past a low-maintenance border and a small lawn area to a sheltered side entrance. This side elevation also provides access to the off-road parking area, which accommodates two vehicles. Moving to the rear, the private garden is fully enclosed by high timber fencing for added privacy. It features a large stone-paved patio perfect for outdoor dining, which is separated by timber sleepers from a raised lawn area. A practical wooden storage shed is situated at the side of the lawn, completing this functional outdoor space.

### Services

Mains electric, water and drainage are connected. Gas fired central heating. Ultrafast broadband is available and mobile signal is likely.
