

Green Street, Stevenage

AGENT HYBRID

We are delighted to present to the market this chain-free and well-presented four-bedroom detached family home, ideally positioned in one of Stevenage's most desirable locations. Built approximately 28 years ago, the property enjoys a private setting tucked away from the road, whilst being just a stone's throw from the Historic Old Town High Street and within walking distance of Stevenage Mainline Railway Station, offering fast and direct links to London Kings Cross and St Pancras International.

Deceptively spacious throughout, the property is approached via a gated gravel driveway, creating an attractive sense of privacy and exclusivity. Upon entering, you are welcomed into a beautifully extended and modernised kitchen/breakfast room, fitted with contemporary white cabinetry and flooded with natural light from two Velux roof windows. The generous proportions allow ample space for a family-sized breakfast table, making it an ideal hub of the home.

The kitchen provides access to a downstairs WC, a formal dining room, and an impressive living room. The dining room further benefits from access to a practical utility area, while the spacious living room features a charming log-burning stove and sliding patio doors opening into a conservatory, creating excellent additional reception space and providing views over the garden.

Stairs rise from the rear of the kitchen to the first-floor landing, where you will find four well-proportioned bedrooms and a family bathroom. The principal bedroom benefits from the added luxury of a private en-suite shower room.

Externally, the property enjoys a private and secluded north-west facing rear garden, predominantly laid to lawn and complemented by a patio seating area, ideal for outdoor entertaining and family enjoyment. Gated side access leads back to the front of the property. The front roof elevation benefits from solar panels.

To the front, the substantial gravel driveway provides off-road parking for at least four vehicles, while a detached single garage offers further parking, storage, or workshop potential.

Offering generous accommodation, a highly sought-after location, and excellent commuter links, this superb family home represents a rare opportunity and viewing is highly recommended to fully appreciate all that it has to offer.
