LEGAL AND INFORMATION PACK

A full legal pack can be purchased online. Please telephone the office below to check availability.

We strongly recommend you instruct a solicitor to inspect the legal pack on your behalf.

* Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction). The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

Additional Fees

- The successful purchaser will be required to pay the Auctioneers a Purchaser's Administration Fee of £1,800 (£1,500 plus VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £960 (£800 plus VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction.
- In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.
- Disbursements – Please see the legal pack for any disbursements listed that may become payable by the purchaser.

AUCTION NOTES

Prospective buyers are strongly advised to take note of the advice and information given in these important notes. IMPORTANT NOTICE - Symonds & Sampson LLP and their Clients give notice that:

1. They have no authority to make or give any representations or warranties in relation to the property. The particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.
2. Any areas, measurements, or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the properties have all necessary Planning, Building Regulation or other consents, and Symonds & Sampson LLP have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.
3. This catalogue contains details about properties being sold at auction. The vendors reserve the right to sell their properties prior to auction and these details can be subject to change up to and including the day of the auction. Please check our website regularly at: www.symondsandsampson.co.uk and look out for any additional materials available on the day of the auction, in order to ensure you have all the up to date information.

Plans and Measurements - All room sizes, site measurements and distances are approximate and may have been scaled from architects, Land Registry or Ordnance Survey plans. They are there to assist buyers in identifying the lots offered and not guaranteed to be to scale or to indicate the full extent of the property being offered. Buyers are advised to view the Special Conditions and full legal documentation in respect of the precise interest to be sold.

Each lot will be sold in accordance with the title documentation as the location plans shown in the catalogue are for identification purposes only. Interested applicants should make their own site inspections and investigations with regard to the accuracy of all measurements given in the catalogue.

VAT - Prospective buyers should satisfy themselves as to whether VAT is chargeable on the price prior to the auction from the seller's solicitors.

Tenure - Freehold and vacant possession will be given on completion unless otherwise stated.

The Guide Price is an indication of the seller's current minimum acceptable price at auction. It is given to assist consumers in deciding whether or not to pursue a purchase.

It is usual, but not always the case that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued.

A guide price is different to a reserve price (see below). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The Reserve Price is the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

Purchaser's Administration Fee

The successful purchaser will be required to pay to the Auctioneers a Purchaser's Administration Fee of £1,800 (including VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £960 (including VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction. In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.

Disbursements

Please see the legal pack for any disbursements listed that may become payable by the purchaser on completion.

The auctioneer, in accepting remote bids, acts as agent for the prospective bidder/purchaser who shall be considered to have authorised the auctioneer on the basis of all relevant conditions of sale and any amendments to the auction particulars. In the event of the prospective purchaser's bid being successful, the auctioneer or any duly authorised partner or employee of Symonds & Sampson LLP is authorised by the bidder and purchaser to sign any Memorandum of Sale or Sale Contract relating to the property concerned incorporating any addendum.

5. The auctioneer accepts no liability for any bid not being made on behalf of the prospective purchaser and reserves the right to bid himself or through an agent up to the reserve price for the particular property concerned.
6. In the event that: (a) two or more parties consider for whatever reason that they are the highest bidder; (b) there is a dispute as to which bidder is the highest bidder; (c) there is any other dispute as between any bidders and/or as between the auctioneer and any bidders; or (d) the auctioneer considers that there is a disputed bid; the auctioneer at their sole discretion have the right to declare a "Bidding Dispute" at any time during the auction. 8. The auctioneer accepts no responsibility for failure of telecommunications or internet connections in respect of a telephone or internet bid, or any delays in the postal system if a bidding form is sent through the post.

11. Successful proxy bids will be notified to the prospective buyer within 24 hours of the conclusion of the auction sale. Proxy bidders are advised to telephone the Auctioneer's office before 10am on the day of the sale in order to find out whether any addenda apply to the property for which they have authorised the Auctioneer to bid on their behalf.
