BIG ROOMS, BIG GARDEN AND NO PARKING DRAMA

If your property wish list includes two genuinely great size bedrooms, a large lounge/diner, a proper garden and somewhere to park the car, you might want to keep reading.

Welcome to this fantastic two bedroom terraced home in Beeleigh East, Basildon, offering generous proportions, plenty of practicality and a location that puts the town centre and station within easy reach.

Step through the front door and an inviting entrance hallway welcomes you home before leading through to a good size kitchen, with plenty of workspace and storage for everything from the morning coffee rush to those ambitious Sunday roasts.

Then there's the large lounge/diner – and large really is the important word here.

There's plenty of room for a substantial sofa setup at one end and a proper dining table at the other, without either feeling like it's fighting for space. Movie nights, dinner parties, family gatherings or simply putting your feet up after a long day – this room is ready for all of it.

Head upstairs and you'll find two great size bedrooms, meaning nobody gets lumbered with "the small one". Bedroom two also offers excellent flexibility as a guest room, children's room or home office for those days when working from the sofa has finally lost its appeal.

A well-appointed family bathroom completes the accommodation.

Outside, the wonderful size rear garden offers loads of space to relax and entertain, with artificial grass providing the greenery without surrendering your weekends to the lawnmower. Garden furniture, barbecue, paddling pool – there's room to make it your own.

And at the front? Driveway parking. Because circling the road at the end of a long day is nobody's idea of fun.

The location works brilliantly too. Basildon town centre is within easy reach and the train station is approximately 1.4 miles away, making this a particularly handy spot for commuters as well as anyone wanting shops, leisure facilities and everyday amenities close by.

There's also some very welcome news for buyers hoping for a smoother move. The sellers have already had an offer accepted on their next property – and that property has no onward chain.

So, to recap: two excellent bedrooms, large lounge/diner, generous garden, driveway parking, convenient location and sellers who have already found their next home.

Your house-hunting checklist may be about to get considerably shorter.
