PERSONAL • PROFESSIONAL • PROACTIVE

This individually designed detached family home is far more spacious than first impressions suggest and has been stylishly modernised by the current owners to create a beautifully presented and versatile living space.

The ground floor features a generous entrance hall leading to a cloakroom, family room, study, and a utility room. The heart of the home is the impressive open-plan lounge, kitchen, and dining area, enhanced by striking roof lanterns, a log burner, and bi-folding doors that open onto the garden, creating a bright and contemporary space ideal for both everyday living and entertaining.

Upstairs, a galleried landing leads to four well-proportioned double bedrooms, including a refitted en-suite to bedroom one.

Externally, the property benefits from a gated driveway to the front providing parking for approximately four vehicles and access to the garage. To the rear is a generously sized garden featuring several seating areas and a substantial detached cabin with a vaulted ceiling, air conditioning, and bi-folding doors, offering excellent additional accommodation or workspace.

Further benefits include gas radiator central heating and uPVC double glazing, with the majority of the windows having fitted shutters.
