Description

Set against the backdrop of Leckhampton Hill, Sycamore House at Crippets View combines striking contemporary architecture with beautifully considered interiors, creating a home that is as practical as it is stylish. Large expanses of glazing maximise natural light throughout, while perfectly framing the far-reaching countryside views that define this exceptional setting.

The impressive entrance hall opens onto a stylish oak staircase creating a welcoming first impression. Designed with modern family life in mind, the spacious open-plan kitchen/dining/family room forms a focal point of the home, offering an ideal space for entertaining as well as everyday living. Finished in sophisticated charcoal cabinetry, the kitchen features Quartz worktops, a statement central island and natural stone splashbacks, together with a premium range of integrated NEFF appliances including twin ovens, a drinks fridge and dishwasher. A separate utility and boot room provides additional storage and practicality, with direct access to the rear garden. Throughout the ground floor, herringbone flooring and underfloor heating enhance the sense of quality, while carefully selected finishing touches, including deep skirting

boards and traditional moulded architraves, add timeless character. A beautifully proportioned sitting room offers a peaceful place to relax, while a separate study provides the perfect environment for home working. A cloakroom and additional storage complete the ground floor. Upstairs, the accommodation continues to impress with four spacious double bedrooms. The principal suite enjoys spectacular views across Leckhampton Hill through a dramatic glazed elevation, while vaulted ceilings create a bright and tranquil retreat. Some of the further bedrooms benefit from contemporary en suite shower rooms, along side a luxurious family bathroom featuring both a freestanding bath and a separate walk-in shower for the rest of the family. Soft wool carpeting adds warmth and comfort throughout the first floor. Built with sustainability at its core, Sycamore House incorporates an air source heat pump, solar panels and high levels of insulation to deliver energy-efficient living for years to come. Outside, the landscaped rear garden has been designed for both relaxation and entertaining, with an expansive patio providing the ideal setting for al fresco dining. A single garage and generous off-road parking complete the property.

Outside

Sycamore house occupies a unique corner plot with extensive parking to the front for approx. Seven vehicles in front of the garage and main house. The front garden is bordered by establishing hedgerow and accessed through an Oak pillared entrance (ample space for the installation of formal gates if by incoming purchasers), side access to the rear garden. The rear garden is an outstanding feature of the house benefiting from a high degree of seclusion and offering occupants an impressively large open lawned area with established entertaining patio area accessed directly off the kitchen/dining/family room through large open glazed sliding doors.
