A superb four bedroom detached family home, stylish, welcoming and brilliantly practical.

From the moment you walk in, there is a real sense of space and flow. The entrance area is perfect for busy family life, with plenty of room for coats, shoes and school bags. The lounge is generous yet cosy, a lovely spot to curl up in the evenings, and it links to the stunning kitchen diner through oak glazed pocket doors. Slide them back and the ground floor becomes a fantastic sociable space, ideal for family gatherings, celebrations and weekend entertaining. Close them and you can enjoy a quieter, snug atmosphere when it is time to relax as a family.

The kitchen diner is the heart of the home. Wonderfully spacious, with contemporary gloss white units, slate style work surfaces and a large island that naturally becomes the place where everyone gathers. There is excellent storage throughout, integrated appliances for a sleek finish and a large walk in cupboard that works perfectly as a pantry. A separate utility room and cloakroom keep the everyday essentials tucked neatly away.

Flowing from the kitchen, the conservatory connects seamlessly with the garden and provides an extra layer of living space, especially enjoyable in the warmer months. It is easy to imagine doors open, children moving in and out and friends drifting between inside and out on a summer evening.

The former garage has been cleverly transformed into two useful areas. The main section, accessed from the kitchen, is currently used as a music room and home office, offering fantastic flexibility as a hobbies room, playroom or workspace. To the front, there remains a very practical storage and utility area, ideal for the freezer, tumble drier and all those things that make family life tick.

Upstairs are four bedrooms. The master bedroom enjoys its own spacious en suite shower room, while the remaining bedrooms are served by a family bathroom. There is also an airing cupboard on the landing, adding to the home's thoughtful storage.

Outside, the lifestyle appeal continues. The block paved driveway to the front provides parking for several vehicles, making coming and going easy. To the rear, step out from the conservatory onto a stylish patio area that is perfect for summer dining, barbecues and watching younger children play. Steps lead up to the main garden, mostly laid to lawn, offering plenty of room to run around along with two useful timber sheds.

Set within an established and well regarded residential area, close to local amenities and the town, this is a home that truly balances space, style and everyday practicality. It is the kind of property where memories are made and family life can really flourish.
