£1,100 Per Month

Set on Amersham Hill in High Wycombe, this recently decorated one-bedroom flat offers calm, comfortable living with excellent connections on your doorstep. Inside, the space feels fresh and considered, with a bright reception room that works just as well for quiet evenings as it does for having friends over. The bedroom is a good size, the bathroom is modern, and the overall finish means you can move straight in without lifting a finger.

One of the real highlights is the private patio, perfect for a morning coffee or a bit of fresh air at the end of the day, alongside access to a large communal grass garden, giving you that extra outdoor space that's often hard to find. The station is close by, making this a great option for commuters, and the communal car park keeps day-to-day life simple and stress-free.

A lovely home for someone looking for an easy, well-located place to settle, with a bit of breathing space both inside and out.
