This spacious and attractive four-bedroom, three-storey semi-detached family home is ideally positioned within comfortable level walking distance of Royal Wootton Bassett's thriving High Street and the excellent range of schooling the town has to offer. The property further benefits from a garage tucked neatly beneath a coach house and driveway parking located directly to the side with EV charging point included.

Designed in the ever-popular townhouse style, the layout is both practical and versatile. The ground floor features a welcoming entrance hallway with a convenient cloakroom, a well-proportioned kitchen/diner ideal for everyday living and entertaining, and a living room positioned to the rear with French doors opening onto the south east facing garden.

The first floor offers three good-sized bedrooms served by a modern family bathroom, while the top floor is dedicated to an impressive dual-aspect principal bedroom measuring approximately 20ft, complete with a generous and newly fitted en-suite shower room, creating a private retreat away from the main living areas.
