Simpson & Partners

Located in the ever-popular village of Barton Seagrave, this charming three bedroom bay-fronted detached property offers the very best of convenient village living, with Barton Seagrave Primary School, Latimer Arts College and the famous Wicksteed Park all quite literally on your doorstep. Now available for sale, the home is complemented by generous off road parking to the front for several vehicles — a real rarity and a genuine bonus for growing families and visitors alike.

Comfort and efficiency are well catered for throughout, as the property benefits from UPVC double glazing and gas radiator heating, making it a warm and welcoming place to call home all year round. The accommodation starts with the entrance hall, leading through to a beautifully proportioned bay fronted lounge with a feature fireplace that creates a natural focal point, along with stairs rising to the first floor. There is also a separate dining room, ideal for family meals and entertaining, and a well-appointed kitchen fitted with a built in oven, gas hob with extractor hood over, and direct access to the rear garden.

To the first floor you will find three bedrooms — two comfortable doubles and one single, perfect as a nursery, guest room or home office — served by a three piece bathroom suite.

Outside, in addition to the off road parking to the front, the rear garden is a delight, offering various seating areas and enjoying a good degree of privacy in the valuer's opinion — the perfect spot for summer barbecues, morning coffee or simply unwinding in the sunshine.

Homes like this are very popular and in such a sought-after location rarely stay available for long, so an internal view is highly recommended to avoid any disappointment.
