Sitting in a quiet enclave close to Bidston Village, Statham Road (specifically this side of the road) enjoys a superb view out to the top of the Wirral Peninsula and over to the Irish Sea. And this particular three bedroomed home has the additional benefit of one huge conservatory, giving a fantastic amount of extra space for any incoming buyer...

The linked detached house has the benefit of a driveway leading into the garage (note electric fob for the door), as well as front lawn. Then on in to the accommodation which is bright and cheerful.

We've a through lounge diner which, from the would be dining area, is opened through to the kitchen, which has undergone a remodel in our client's ownership. With smart high gloss units, integrated hob and oven, and a huge understairs cupboard which would make for a great pantry space - and you wouldn't be lacking storage space utilising this cupboard as such, as we also have a doorway through to the garage. This has a new door, and new windows to the rear and comes with a fair amount of potential.

On then to the conservatory - a huge space, as mentioned, which comes with a certain level of versatility for the family.

Upstairs we have three bedrooms and a bathroom. The master bedroom (with very handy wardrobe space) looks out to front, where you can make out the lighthouse sitting atop Bidston Hill, whilst the two rear bedrooms look out across to the top of the peninsula to the sea.
