A bespoke media wall conceals the entrance to the purpose-built cinema room, fully soundproofed and fitted with high-end audio-visual equipment to create the ultimate home entertainment experience. Designed with versatility in mind, the room also serves as an elegant additional reception room, featuring full-height 3.2m sliding doors overlooking the garden and electric curtains. Ducted air conditioning serves both the cinema and the open-plan living area.

The first floor offers three superb double bedrooms. The luxurious principal suite has been carefully designed, featuring an impressive bedroom with dedicated seating area, bespoke dual dressing room, enlarged windows framing far-reaching views and a beautifully appointed en-suite with twin basins, freestanding bath, oversized walk-in shower and bespoke fitted furniture. Integrated ceiling speakers continue throughout the bedroom, dressing room and en-suite.

Bedroom two is an exceptionally generous double room with bespoke fitted wardrobes, dressing table, space for a seating area and home office, while bedroom five provides an excellent guest bedroom. A stunning family bathroom serves the additional bedrooms and features bespoke cabinetry, a full-sized bath and separate shower.

A striking double-height staircase rises to the second floor where two further generous double bedrooms each benefit from fitted wardrobes, luxurious en-suite shower rooms, underfloor heating and enlarged windows enjoying elevated views across Loughton towards the London skyline. A study area positioned on the landing beneath a balcony-style Velux window creates an ideal work-from-home space.

Outside, the landscaped rear garden has been designed with entertaining in mind. The open-plan living area flows seamlessly onto a large terrace overlooking the impressive swimming pool and outdoor kitchen, all enclosed by elegant glass balustrading before leading onto the generous lawn beyond.

To the front, a substantial gated resin-bound carriage driveway provides parking for multiple vehicles, while the fully insulated garage offers excellent storage and houses the property's commercial-grade plumbing system, engineered to ensure all five showers and multiple taps can operate simultaneously without any reduction in water pressure. Concealed rainwater goods further enhance the home's clean, contemporary architectural lines.

Designed to be lived in rather than developed, this is a home where quality has never been compromised, delivering a truly exceptional lifestyle in one of Loughton's most desirable settings.

Traps Hill is extremely well positioned within walking distance to the High Road and Loughton Central Line Station. Access into the ever popular Epping Forest is close by providing vast areas to go for a bike ride, walk the dog or go for a Sunday family stroll. The area has several excellent private and public schools both primary and secondary level ideal for the family buyer.
