Earlham Road, Norwich, NR2 3RH

*** Guide Price £650,000 - £675,000 ***This substantial detached home offers an exceptional amount of space and versatility, with four distinct ground-floor living areas, three generous bedrooms and a fourth bedroom that also works particularly well as a nursery or home office. The house has been significantly improved during the current owners' time here. Recent work includes the upgrade of the existing ground-floor WC to create a practical shower room, a completely new four-piece family bathroom and the transformation of the principal sitting room with fitted storage, shelving and a contemporary fire. The hall, landing, bedrooms and wider living accommodation have also been refreshed, creating a lighter and more cohesive home while retaining the property's original character and proportions. The ground floor combines both separate and interconnected living spaces. The front sitting room provides a quieter principal reception room, while the family room opens into the garden room, with French doors leading directly onto the rear garden. A separate dining room connects through to the kitchen, making the layout equally suited to everyday family life and entertaining. Outside, a private driveway provides parking for three cars and leads to a carport and large tandem garage. The substantial south-facing rear garden is arranged across a broad main lawn and a further natural garden area, with mature planting, a summer house, pond and timber sheds. The property is well placed for Eaton Park, well-regarded local schools, Norwich city centre and the wider amenities of NR2.
