Ground Floor

From the moment you step inside, the scale and quality of this remarkable home become immediately apparent. Designed for modern family life on an impressive scale, the ground floor balances expansive social spaces with quieter rooms in which to work, unwind and retreat. At its heart is a spectacular kitchen and living area, a beautifully considered space where cooking, dining and relaxation come together in one space. Underfloor heating ensures year-round comfort. The open-plan arrangement provides opportunity for memorable dinner parties and larger family gatherings. Doors open directly onto the rear decking and garden, allowing the room to extend effortlessly outdoors during the warmer months. The imported Italian kitchen creates a striking centrepiece. Sleek cabinetry is complemented by an extensive island with breakfast-bar seating. Noteworthy integrated appliances include a BORA hob with built-in extractor and a sophisticated wine fridge. The sink window captures a partial view towards the sea. A separate utility room continues the same cabinetry, keeping laundry and household essentials neatly concealed away from the main living space. For more peaceful evenings, the front lounge offers a wonderfully inviting retreat. The log burner introduces warmth and character, making this an ideal room in which to settle during the colder months. A further reception room, currently arranged as an office and snug, provides valuable flexibility for home working, children's activities or relaxed television time. Engineered oak flooring laid in an elegant herringbone pattern flows throughout the floor, creating a sense of cohesion between each room. Built-in speakers add another thoughtful layer to the home's entertaining credentials, while a conveniently positioned W/C completes this exceptional level.

First Floor

The first floor continues the home's impressive sense of scale, beginning with the first bedroom suite, housing a substantial dressing area lined with fitted wardrobes before flowing into the main sleeping space, where there is ample room for a generous bed and additional furniture. Sliding glass doors lead directly onto the balcony, allowing natural light to fill the room while creating a wonderful connection with the outdoors. The en-suite shower room is equally refined, featuring a large walk-in shower and an atmospheric backlit mirror that lends a calming yet modern quality to the space. The second bedroom is another generously proportioned double, offering plenty of room for wardrobes. It also benefits from its own en-suite shower room and direct access to the balcony through sliding doors, providing guests or older children with an enhanced sense of privacy and independence. Bedrooms three and four are both comfortable doubles, offering excellent versatility as children's rooms or guest accommodation.

Serving these rooms is a luxurious four-piece bathroom, complete with a freestanding bath, spacious walk-in shower, WC and a hand basin set within a contemporary vanity unit. Each bathroom benefits from underfloor heating controlled by an individual thermostat, allowing temperatures to be tailored to personal preference. A 'Megaflo' hot-water system has also been installed to ensure strong water pressure when several bathrooms or water outlets are in use simultaneously—an important consideration within a home created for busy family life.

Exterior

The rear garden offers generous proportions and an established backdrop of mature trees and shrub-lined borders. Mainly laid to lawn, it provides plenty of space for children to play, summer gatherings to unfold or future owners to create additional landscaped areas. Immediately outside the kitchen and living area is a broad wooden deck, perfectly positioned for outdoor dining, barbecues and evening entertaining. Its direct connection to the living space creates a seamless indoor-outdoor flow, making the garden feel like a natural extension of the home. Above, the balcony is a genuine showpiece. Frameless glass balustrades preserve the open outlook and give the space a sleek, uninterrupted finish. Accessible from both the first and second bedrooms, it provides an inviting setting for a quiet morning coffee or a day relaxing in the sunshine. To the front, the block-paved driveway provides parking for up to three vehicles. Contrasting border detailing and raised planted beds create a smart and welcoming first impression, while gated side access offers a practical connection between the front and rear gardens.

Location

Seymour Road occupies a prestigious position within the highly regarded Chalkwell area, placing the home close to the coastline while remaining exceptionally convenient for everyday family life.
