The Kenyon

Modern Living, Designed for Families - The Kenyon is a spacious four-bedroom home that blends contemporary design with the comfort and practicality needed for modern family life. Light-filled open-plan spaces and bi-fold doors that open onto the garden create a natural flow, while a cosy front lounge offers the perfect retreat for quieter moments. Plot 7 features an additional side bay window, adding extra light and character to the interior.

At the heart of the home, the open-plan kitchen, dining, and living area provides a bright and inviting space for everyday life, family time, and entertaining. Upstairs, four well-proportioned bedrooms offer flexibility for growing families, guests, or a home office, with the principal bedroom enjoying the privacy of its own en-suite.

Cleverly integrated storage solutions throughout the home ensure everything has its place, keeping living spaces organised and clutter-free.
