

This four bedroom family home has undergone a substantial scheme of refurbishment by the current owner, including an updated kitchen and bathroom, replacement carpets and internal joinery where appropriate. Buyers will also be pleased to note that the improvements extend beyond the obvious cosmetic updates, with the boiler having been serviced and plumbing checked which included radiators being replaced as needed.

The ground floor comprises the breakfast kitchen, bathroom and lounge whilst the first floor has been remodelled from an original three bedrooms, to provide four sensibly sized bedrooms.

Outside there are enclosed gardens to the front and rear and off-road parking. In keeping with the presentation of the internal accommodation, the outside has been similarly improved with fencing replaced, an upgraded patio and reseeded lawn.

The property is pleasantly situated overlooking a green area to the front and offers easy access into town and to the nearby schools including Tower Road Primary, Boston Grammar School and the High School and Boston College.
