Cambridge Avenue

Solihull

Asking Price £650,000

Description

Cambridge Avenue is a most sought after road in Solihull which indirectly lead onto Danford Lane which links Blossomfield Road to Sharmans Cross Road and Streetsbrook Road. Blossomfield Road gives access to the town centre of Solihull passing Alderbrook School, Solihull College and Tudor Grange Park and leisure centre and access to Solihull's main line London to Birmingham railway station.

Travelling away from Solihull Blossomfield Road leads to Marshall Lake Road, where one will find a retail park, and on to the A34 Stratford Road in Shirley where there is a wide choice of shops and restaurants. The A34 gives access to the city centre of Birmingham or in the opposite direction to junction 4 of the M42 motorway. At junction 6 is access to the National Exhibition Centre, Resorts World, Motorcycle Museum and Birmingham International Airport and Railway Station.

The accommodation is approached via a mature fore garden and a sweeping large drive way leading to the front entrance, allowing access into the accommodation, which comprises an entrance porch, oversized entrance hall with access into the main ground floor rooms and the first floor. This hall really is impressive, offering a grand entrance with ample space for occasional furniture. Off the hall is a spacious front reception room listed as the dining room with feature fire place and bay window. The living room is a well proportioned room with a feature fire place and access via glazed sliding doors into the conservatory, which benefits from French doors opening onto the large garden. The kitchen is well fitted with appliances and an under stairs pantry. Access into the utility area is directly from the kitchen, which links the single garage, ground floor WC and utility space. An ideal area for some reconfiguration to maximise its potential.

To the first floor we have four original bedrooms, three of which are generous doubles with the fourth being a smaller double. Off the Landing is the family bathroom with over stair storage cupboards as well as a separate WC. A drop down loft ladder allows access into a partially converted loft. An ideal space for storage or occasional use but is ripe for a formal conversion subject to planning permissions.

To the rear, we have an extensive and mature garden mainly laid to lawn with established borders and specimen trees and shrubs, complemented by a patio and side passage access.

This property offers a blank canvas opportunity with ample scope for extensions, subject to planning permissions.
