A MESSAGE FROM OUR VENDOR:
"I have enjoyed living in this flat for a number of years. When I moved here I was looking for three things; a private entrance, a bathtub and a small garden - this place ticked all those boxes. The flat stays cooler in the summer and, thanks to a new boiler in recent years, is efficient and warm in the winter. The area is permit parking but I have never struggled to find a space. The flat has a long lease and the current freeholder (who owns the maisonette above) is a pleasure to deal with, with maintenance on an 'as required' basis. I hope the new owners will enjoy the flat as much as I have."
